Advice and guidance for any family member responsible for a young person between 0—19

people Helping People

Come along to one of our
advice sessions

What are Parent/Carer drop ins?

These weekly drop-in sessions are for you to attend to get practical and friendly support around any aspect of looking after children or family life

I've never been to a drop in group before — does that matter?

Not at all! Come along—this is where we help you find some support with a range of different challenges of modern family life

I'm worried everyone will be perfect parents

There is no such thing as a perfect parent. This group is for real parents and carers who are seeking a bit of support to improve their family life

The Family Partnership Zone is a group of professionals trained to work with families with children aged 0-19. We draw on the different expertise of the team members and partner agencies to make sure that we support all families in East Dorset

What if I need a bit more support?

If you feel that you would benefit from more regular support, together we can assess what your needs are and work out the best support route for you.
