

Home Learning

We love seeing and sharing your home learning in class and are very excited about the learning this half term. I'm sure the children will come up with their own ideas but please find below some ideas to get you started.

POSSIBLE IDEAS:

Rewrite the story of Paddington in the form of a diary entry from Paddington's point of view. Imagine you were him, what would he be seeing, hearing and thinking?

Write a new version of the story in which Mr. and Mrs. Brown didn't see Paddington. Who might have found him instead? What would have happened to him if they didn't find him?

Use your knowledge of healthy eating to plan a healthy meal for Paddington to eat after his long journey.

Can you find Paddington station on a map? How far is it from where you live?

Find out some facts about Peru to share with the class and add to our research.

Write an information page about Peru or London.

Research the history of Teddy Bears. Where did they come from? Who created the first one? When did they become popular?

Design some new clothes for Paddington to wear.
