

Friends Newsletter May 2022

Hello everyone, its officially summer!

Thank you to all that came to Bangers and Bingo, I think we can all agree it was a great night and we made over £300 which is amazing!

The read-a-thon was a huge success and the money Friends have raised so far this year was added to the total for this cause and we have managed to buy new books for the entire school covering every year. These books will be the reading books that come home, we are so pleased to be able to help support reading at Henbury.

Bugfest is coming into school for the day on 27th May, this is an opportunity to get up close and personal with the mini beast and insect world. Nick will be in all day doing a whole school assembly and then individual class interactions. The children will be able to handle a range of mini beasts.

We are pleased to announce we have a school disco coming up! The very popular DJ Daz will be back on Friday 17th June.

Foundation, year 1 and year 2 5-5.45

Year 2, Year3 and Year 4 6-7

We ask foundation parents to stay as this is the first school disco. Please can year 2 pick which disco they would like to attend.

Tickets are £2.50 and can be bought in the office (exact money, in a named envelope) week commencing 6th June or on the night.

Glow sticks will be available to buy on the night 50p each.

Ice creams will be available to buy after school from Friday 10th June every Friday until the end of term. They will be £1 and we will cater for all dietary needs. Please come to outside year 3 to find the ice cream ladies!

The summer fair planning is taking shape and we have some great things in store.

We now have our very own Henbury Lego man and he will be at the fair with a range of minifigures to buy, get saving!

We are asking for donations of bottles of wine for the fair, if you have a bottle to donate, please could you bring it to the school office, thank you.

We are also looking for raffle prizes, so if you have a company that would like to donate, please do get in contact with us.

On sports day, 29th June, there will be refreshments available for spectators; a range of cakes, soft drinks and ice creams. Ice creams will also be available to buy after school on this day.

Our last event of the year, will be the very popular Family fun night on Friday 8th July, more details to follow
