

# Friends Newsletter July 2022

Hello to everyone and welcome to the last newsletter of the academic year!

Thank you to everyone that came and supported the summer fair. It was so lovely to see the school community thriving and being together. We made a huge £2000 and that is amazing. The funds we raise all go towards enhancing your children's learning and experiences at Henbury. I would like to thank all the staff for their help and running the stalls.

You have now met our very own Henbury Lego Man and he was a huge success. If you have any specific requests for the Christmas fair please speak to Sam and we will see what we can do. Thank you, Lego Man!

Ice creams are still available to buy after school on Fridays, the last one is Friday 15<sup>th</sup> July. They will be £1 and we will cater for all dietary needs. Please come to outside year 3 to find the ice cream ladies!

We are now thinking ahead and are asking for donations of teddies/ cuddly toys and bottle bags for some of the next events planned later in the year. If you have either please drop them into reception they will be gladly received.

**Our last event of the year, will be the very popular Family fun night on Friday 8<sup>th</sup> July gates open at 6 for a 6.30 start.**

**This event is not to be missed, there will be hotdogs on sale, a Pimms / beer tent as well as soft drinks and a few snacks. Please sign up in the office.**

**It is a sports day for the family, playing in colour teams doing sporting events. We end it with an adult football match, a must watch. Bring your picnic blankets and chairs for a fun filled family night.**

**Once again thank you to everyone for supporting Friends of Henbury. Please do come along to our next meeting in the new term. We would love to see some new faces and have some new ideas.**

**Sam and Katie and the team**

**Key dates**

**Family Fun night Friday 8<sup>th</sup> July**
