### Autumn Term 2022 Newsletter 2

#### Headteacher's Update

Thank you to all the parents who attended our meet the teacher meetings, the feedback from parents has been that there was a wealth of information. The PowerPoints from these meetings have been shared on our school website under the class pages if you were unable to attend.

It has been a really busy few weeks in school and the start of term already seems a long time ago! Firstly, we have been absolutely blown away by the children's continued efforts with their learning and their enthusiasm for learning, our children are always so keen to share their new knowledge. We look forward to sharing your child's learning with you in the next couple of weeks through our book shares and class shares (dates to the right for each class). This term our children have enjoyed sharing new texts in their English lessons which has inspired them as writers. We continue to promote our love of reading ethos within school through the texts we choose and ensuring that the children select books from the library that they would like to bring home.

During our weekly celebration assemblies, we have been raising the profile and importance of attendance, the children are really enjoy finding out which class has the best attendance each week. As you will be aware, children have a better chance to achieve their best if they attend school regularly. A few absences can quickly add up to a significant loss in learning time. For example, a child who ends the year with 95% attendance has been absent from school for the equivalent of 10 full days. I am delighted to share pupils arriving late at school has significantly improved this term which ensures that all pupils are ready to learn promptly at the beginning of the day.

#### Volunteering

There are lots of volunteering opportunities across the school supporting children with their learning. If you are interested in volunteering with us, please contact the office and pick up a form-a DBS check will be required for all volunteers.

#### School Pick Up

If someone different is collecting your child, please ensure that the class teacher is aware at drop off in the morning. If it is a late change, please call the school office in plenty of time.

### School Phone Number

Please note the school telephone number for parents to call is 01202 659179. This is sometimes shown as 178 when the school places a call to you, this number will not work to dial in to the school.

### Parking information

There has been an increase in parking issues around the school over the last few weeks, these include double parking, blocking the road and inconsiderate driving.

We would ask all parents to please drive considerately in the vicinity of the school for the safety of the children and our community. Please consider our neighbours by not parking across driveways or double parking. Please do not drive onto the site for drop offs/pickups, this is only available to after school providers who are dropping off/picking up multiple children. Thank you for your support in this matter.

### Harvest Festival

Our school Harvest Festival will take place on Wednesday October 5<sup>th</sup> at 1.45 pm in the School Hall. We look forward to welcoming you into the school to share in this special celebration.

We would remind parents that due to space restrictions in our school hall we have made the decision to hold two assemblies and request that only one adult attends per child. As our year 4 pupils will be in both assemblies, we ask that the year 4 parents choose between the two assemblies.

First Assembly is 1.45 pm – Foundation, Year 1 and Year 4. Second Assembly is 2.45 pm – Years 2,3 and 4.

We will be collecting food for the Corfe Mullen Foodbank.

If you would like to donate food, we will be collecting tinned/packet foods from Mon 3<sup>rd</sup> October at the office. Please ensure that items are in date. We are unable to accept fresh food.
