

THE HENBURY SPORTS TIMES

ISSUE 2

Official Sports Leaders

Our sports leaders received their official training with our local school games organiser and now have their black sports leaders t-shirts! They have already been sharing what they have learnt at playtimes and during 'Fitness Friday'.

Year 4 Events- Multiskills Madness and Dance Festival

10 of our Year 4 children attended a multiskills event at Parkstone Grammar before Christmas and 10 children recently took part in a dance festival at Cornerstone Academy. Both events were attended by several other schools in the area and gave us the opportunity to learn new skills in a fun environment. The diary is filling up with other events so we look forward to reporting about these soon.

If your child has had a sporting achievement outside of school, we want to know about it!

It has been wonderful celebrating sporting achievements and the children have been so proud seeing themselves on the PE board. If your child has a sporting achievement they would like to share, please could you take a picture of them with their achievement and send to your class email address.

Clubs

We are delighted with how successful clubs were over the Autumn term and have added some new clubs for the Spring.

Tuesday- Gymnastics, Wednesday- Multi-skills, Thursday- Dodgeball and Friday- Archery

We are currently looking to add some new clubs after half term or Easter so watch this space!
