

Friends Newsletter June 2023

Hello everyone, I hope you all had a lovely half term.

It's not long to go till we have the Summer Fair.

We have some great things lined up for you all and some fun activities including a bouncy assault course and an inside driving course.

We are looking for a few things for the summer fair this year.

Teddies, Wine donations, and cakes.

Please could these donations be in school by Thursday 29th June

We will also be sending home raffle tickets with some really great prizes and days out to be won, please return these to school by Thursday 29th June

The Lego man will be at the fair as his popularity continues to grow with lots of new exciting Lego.

Every class has been assigned a colour for the Summer fair and we are doing a rainbow tombola.

If your child could bring in something of that colour for the tombola on Friday 30th June, the morning of the fair, that would be much appreciated. To give you some ideas it could be a **Red** ball or some **Blue** bubbles. We ask that everything is new and sealed please

Foundation **Red**

Year 1 **Yellow**

Year 2 **Green**

Year 3 **Blue**

Year 4 **Orange**

Friends are currently raising funds to help replace the trail on the playground and the first phase of this will happen over the summer holidays. We are also raising money for an art project to commemorate Henbury turning 30, we have an artist coming into the school to work with the children to create something spectacular. Please come and have a great afternoon at the Summer fair and help support our amazing school.

Ice creams

Ice creams will continue to be on sale every Friday after school, they will be £1 each and will cater to all dietary needs. They will be sold outside Year 3 and 4. This includes the Sports Day and the Summer Fair.

Key dates/ Information

Friday 30th June Summer Fair

If you can help at the fair or know someone that can, please contact Sam or Katie, Many Thanks.
