### Summer Term 2 2023. Newsletter 10.

#### Headteacher's Update

We have had a great start to the second half of the summer term. The children have been so engaged with the range of opportunities offered including the Foundation Trip to Moors Valley, Year 1's local trip to the library, Year 2 have been on a trip to Durlston and Year 3 are off to Lulworth on Monday.

The trips provide our children with the opportunity to put their learning into a first-hand context. Thank you for supporting our trips, as we appreciate how much the children gain from these practical experiences - building long term memories with their class and the adults that they work with. Our year 4's have had the opportunity to take part in Bikeability, this is the government's national cycle training programme which helps the children to learn practical skills and understand how to cycle on today's roads which we believe is an essential skill.

We are very much looking forward to Sports Week next week, throughout the week the children will have the opportunity to engage with a variety of sports and will be thinking about the importance of keeping active. We are certainly hoping that the weather remains kind to us, not being too hot and certainly no rain so that we can enjoy our Sports Day.

Thank you to all the families and friends who are supported parent shares and book looks, the children really do enjoy having the opportunity to share their learning with you.

Warm regards, Sally Wall.

#### Hot weather and Sun Safety

It has been wonderful to have this beautiful British weather. As staff we are mindful of how much time the children are spending outside and encouraging the children to find shelter and to drink plenty of water.

Please help keep your child protected by slapping on the suncream before school and providing water and sun hats.

## Marvellous Me

We are really getting into swing of sharing learning and individual successes with you through Marvellous Me.

We are aware there have been a few technical problems, please do contact the office if you are experiencing any problems and we will work with you to resolve them.

## Summer Fair

Our Summer Fair takes place on the 30<sup>th</sup> of June 2023.

Please join us after school for lots of fun activities including a bouncy castle assault course, games and stalls.

The friends have asked for donations of teddies, wine and cakes. These should be in school by June 29<sup>th</sup>. Raffle tickets are being sent home. Children have been allocated a colour for the tombola and children are being asked to bring in something of that colour on the day of the fair.

More details will follow. We look forward to seeing you all.

## Tick awareness

Please check your child for Ticks, though our grass is short we are aware that this doesn't always prevent them from attaching themselves to people.

If your child comes home with a Tick, it is important to remove as quickly as possible. Please use the attached link to NHS if you require further information.

## Important reminders

Please be aware of our neighbours and park considerately on the roads around the school, blocking of drives is particularly problematic.

Please also do not use staff parking spaces within the school grounds.

Jewellery should not be worn to school and simple studs should be worn if ears are pierced.

## Safeguarding/Child Protection Issues.

### **Safeguarding/Child Protection**
