

Friends Newsletter July 2023

Hello everyone, thank you to all that came to the Summer Fair. It was a bit up and down with the weather, so we couldn't have everything that we had planned but we hope you enjoyed yourselves and thank you supporting the school.

The final figure from the fair is a whopping £1350 which will be donated to help support the trim trial play equipment refresh during the summer holidays.

Ice creams will be on sale on Friday the 7th and Friday 14th July. They will be £1 each and will cater to all dietary needs. They will be sold outside Year 3 and 4.

The last event of the school year is this Friday 7th July and is the family sports night. It is a fun filled evening on the field with sports activities for you to play in teams, with your family.

There will be a bar, hotdogs and chicken nuggets available, with gluten free and vegetarian options or you can bring a picnic. Please do join us for this fun event and bring all your family and friends.

The sign-up sheet is now in reception so we can cater for the food.

Field opens at 6 for 6.30 start, food and bar available from 6.00
